# MEANINGFUL PARTNERSHIPS MAKE BRANDS SHINE!

Now more than ever brands and organizations are looking for meaningful collaborations. Customers and members seek out brands that invest in things that matter to the world we live in and contribute in positive ways to the people within it.

***Beechwood Cemetery is the national cemetery of Canada.***

*Its beauty, historical significance and commitment to being open to all cultures and faiths, is why we chose it as the backdrop of our event.*

A woman with long blonde hair and a crown of green leaves is seated at a dinner table. The table is set with white plates, silverware, and glasses. In the background, other guests are visible, and the scene is lit with warm, ambient lighting, including hanging glass lanterns and candles. The overall atmosphere is intimate and festive.

## THE MOST MAGICAL DINNER PARTY

Partage Beechwood is a fundraising dinner nestled amongst the souls and trees of the Beechwood Cemetery. This dinner created by the Vanier BIA is held in partnership with the Beechwood Cemetery Foundation and the Vanier Community Services Centre (VCSC).

It is an unforgettable dinner party, filled with joy, laughter and the celebration of community togetherness. It's one long table of 200 guests breaking bread together to help the most used food bank in Ontario. *You arrive as a guest but leave as a family.*

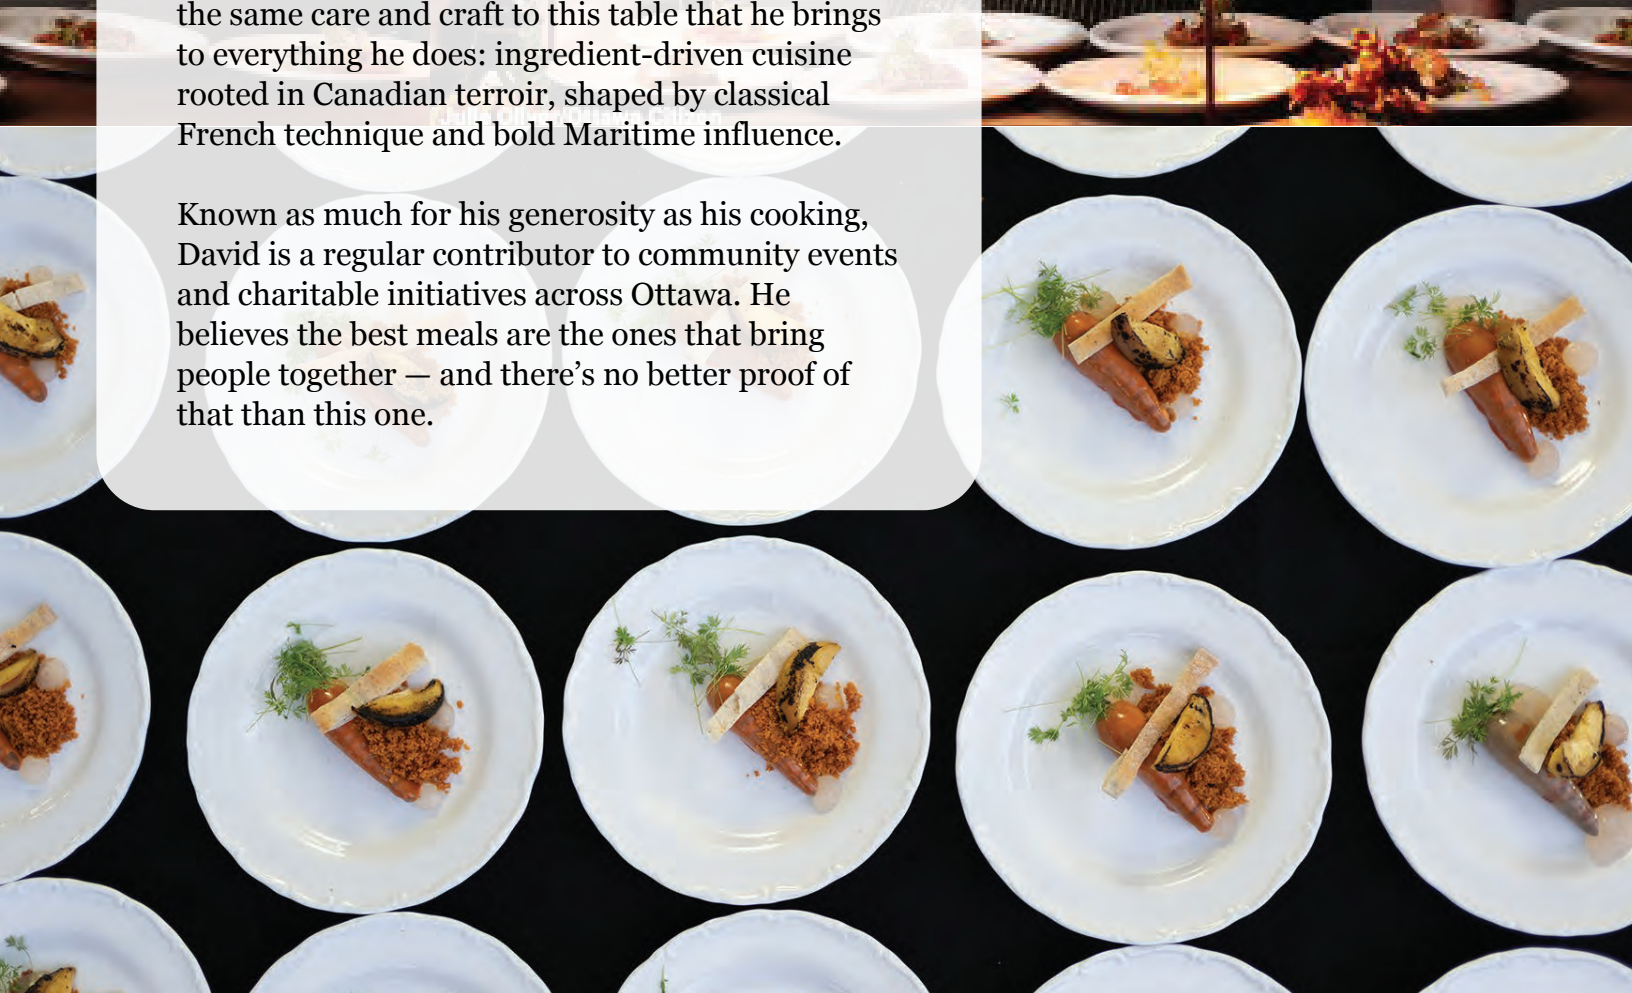

***All donations from our corporate partners go directly to the Vanier Foodbank.***

# FOOD IS LIFE... LITERALLY!

Chef David Godsoe is an Ottawa native with deep family roots in New Brunswick and a lifelong passion for Maritime and French-inspired Canadian cuisine. Through his practice DG Cuisine, David brings that culinary vision to life across private events, hospitality consulting, and culinary ambassadorship — including his work representing Aussie Beef and Lamb, where he showcases his expertise in whole-animal butchery and protein-forward cookery.

A Vanier resident, David has watched firsthand the impact the Partage Beechwood dinner has on this community — because he lives one block away. Now in his third year as the event's chef, he brings the same care and craft to this table that he brings to everything he does: ingredient-driven cuisine rooted in Canadian terroir, shaped by classical French technique and bold Maritime influence.

Known as much for his generosity as his cooking, David is a regular contributor to community events and charitable initiatives across Ottawa. He believes the best meals are the ones that bring people together — and there's no better proof of that than this one.
